Tombs Of the Kings, Paphos

Here is a penthouse in master-planned, gated community of five low-rise buildings in Kato Paphos that blends curvilinear contemporary architecture with sea-inspired landscaping and generous outdoor amenities. The design takes cues from the coastline's natural forms, delivering sweeping façades, deep verandas, and wide glazed openings for light-filled interiors and long vistas toward the Mediterranean. With 88 residences ranging from smart studios to expansive family apartments and signature penthouses with private rooftop pools, the project balances everyday convenience with resort-style living just a short walk from sandy beaches, Kings Avenue Mall, and the 5-star
