

Desire

Premium Residential Complex in Aksu, Antalya

€200,000

Desire offers premium residential apartments in Antalya's Aksu district, managed by the international Best Western hotel chain, ensuring 5-star services and strong investment potential. Completion is set for Q4 2025.

Investment Potential:

- Rental Income (Short-Term - e.g., Airbnb): A 1+1 apartment in this Best Western managed complex can generate an average annual revenue of €12,000 - €18,000+. High occupancy rates (70-95%) are expected during peak tourist seasons (May-October), driven by Best Western's strong marketing and management.
- Rental Income (Long-Term): Expect €900 - €1,400+ per month for a 1+1 apartment, totaling €10,800 - €16,800+ annually. Best Western management ensures a consistent, high-quality experience for tenants.
- Capital Appreciation: Antalya's property market continues to grow, with Aksu being an emerging hotspot. Your initial investment of €200,000 could potentially increase by €10,000 - €20,000 or more within the first year of completion, with continued long-term appreciation projected at 5-10% annually.
